

SCOTTISH
FIRE AND RESCUE SERVICE
Working together for a safer Scotland

As part of our commitment to building a safer Scotland we offer everyone in Scotland a free home fire safety visit. We'll give you advice, help you sort out a fire escape plan and provide information about smoke, heat and carbon monoxide alarms.

We are here to help keep you safe. If you think you would benefit from a free home fire safety visit, get in touch with us using one of the following methods, it's so easy to arrange:

- call 0800 0731 999
- text "FIRE" to 80800 from your mobile phone
- complete our online form at www.firescotland.gov.uk
- Contact your local Community Action Team - w.dgpreventionandprotection@firescotland.gov.uk or on our facebook page – D&G-Prevention&Protection
